Please join us for  
**Science Day**  
*A Celebration of Science & Technology*

LAB DIRECTOR BRUCE TARTER  
INVITES YOU TO JOIN HIM  
FOR A SPECIAL CELEBRATION  
OF SCIENCE AND TECHNOLOGY  
AT LAWRENCE LIVERMORE NATIONAL LABORATORY.

Science Day will provide an opportunity for LLNL scientists and engineers to showcase their most important accomplishments with their colleagues, the Department of Energy, the National Nuclear Security Administration, and the broader scientific and technical community.

In conjunction with these presentations, the Lab has designed a program to highlight scientific and technical achievements of interest to the local community.

*To RSVP, please call (925) 422-4599 by Friday, March 16, to allow time for badging.*

# SCIENCE DAY

## Lawrence Livermore National Laboratory

Wednesday, March 21, 2001

7:30 a.m. to 11:30 a.m.

Bldg. 123 Auditorium

## SPECIAL COMMUNITY LEADER PROGRAM

**7**:30 a.m.  
Continental Breakfast

**8**a.m.  
Welcome & Overview  
Director Bruce Tarter, LLNL

**8**:15 a.m.  
Role of Science in the National Nuclear Security Administration  
General John Gordon, NNSA Administrator

**8**:30 a.m.  
Department of Energy Perspectives and Challenges  
Jim Decker, Acting Director, DOE Office of Science

**9**a.m.  
Simulation: Changing the Nature of Scientific Discovery  
David Cooper, Associate Director, Computation

**9**:45 – 10:30 a.m.  
Tour: Forensic Science Center  
See how the Lab's crime-fighting technologies assist law enforcement

**10**:30 – 11:30 a.m.  
Medical Technologies Highlights Presentation  
Learn about LLNL's technologies to combat cancer and other diseases
